THE 2ND ACM SIGGRAPH CONFERENCE AND EXHIBITION IN ASIA

SIGGRAPH ASIA 2009
the pulse of innovation

CGSociety CGNews

Yokohama SIGGRAPH Asia 2009 conference opening for submissions.

Wednesday, 18 March 2009

The SIGGRAPH Asia 2009 conference committee is now welcoming

Advertisement

contributors and volunteers to participate in the second edition of the annual SIGGRAPH Asia Conference and Exhibition on Computer Graphics and Interactive Techniques in Yokohama, Japan.

Join your colleagues and friends from the worldwide SIGGRAPH community when thousands of researchers, developers, producers, and providers of computer graphics and interactive techniques gather in Yokohama for the second SIGGRAPH Asia. Like SIGGRAPH, Japan's second-largest city thrives on creativity. As a world-class center of information technology, digital media, and the arts, it is the perfect location for SIGGRAPH Asia 2009's Pulse of Innovation.

To read more about the "How?" and "When?" to submit your proposal, see our Calls for Participation links at the bottom of the SIGGRAPH page for:
