Local or regional ACM SIGGRAPH memberships are not eligible for registration discounts.

- Your 2002 ACM student membership card OR
- Your valid 2002 student identification card AND a letter on school letterhead verifying you are a student.
 The letter must include your registrar's name, address, and phone number so we can verify your student status.
- When you arrive at SIGGRAPH 2002, you must present your ID card (not a copy) in order to pick up your credentials.

Failure to attach one of the above to your registration form will result in you being charged the non-member rate.

NOTE: Your badge will include your name, organization, city, state, and country as indicated on your registration form.

EXHIBITS PLUS AND CONFERENCE SELECT REGISTRANTS

Your badge will be mailed first class (at no additional charge) prior to the conference provided your registration meets the following criteria:

- Your registration and payment must be postmarked by Friday, 14 June.
- Your mailing address must be in the United States. (A note to our international guests: Due to inconsistent postal service worldwide, we do not mail international badges unless the credential mailing option is purchased. Please refer to instructions for Full Conference registrants below.) SIGGRAPH is not responsible for lost credentials for which we have a carrier receipt that shows the package was received and signed for.

If the above criteria are met, your badge will be mailed first class the week of 8 July.

FULL CONFERENCE REGISTRANTS

Due to the high value of your registration credentials, your badge will not be automatically mailed to you. If you would like to receive your badge in advance of the conference via express carrier, the following instructions apply:

- Your registration and payment must be postmarked by Friday, 14 June.
- Student and member status must be fully verified with ALL documentation by Friday, 14 June.

If the above instructions are followed, your badge will be mailed two-day service the week of 8 July.

CREDENTIAL MAILING POLICIES

- All prices are per person.
- SIGGRAPH is not responsible for lost credentials for which we have a carrier receipt that shows the package was received.
