Dining and Nightlife Downtown LOS ANGELES

From Hot Spots to Hipster Scenes: Downtown Dining is Thriving.

Variety is the new spice of Downtown LA's dining scene. Downtown Los Angeles has virtually exploded with dining and entertainment options making it the new go-to spot for everyone from locals and art lovers, to serious gastronomes and late night revelers.

Options abound in the Theatre District with a rich range of cuisines open for pre-theatre dining. Authentic ethnic restaurants add spice to the eclectic scene of Chinatown and Little Tokyo. The Art District has its share of chic and trendy hot spots. Devoted foodies flock to downtown's celebrity chef eateries, cozy booths, hipster tables and patio scenes.

Whatever your tastes, you'll find something incredible including acclaimed bistros, brasseries, sushi and wine bars. Trattorias, cafés, cantinas, grills, gourmet cuisine and fine dining rooms. You can find a spot to relax in an ultramodern atmosphere, sink in to a private booth or settle in to a seat with sweeping views of the city. Dining in downtown is more cosmopolitan, creative and diverse than ever before. Bon Appetit!
