Registration Instructions

Complete all information on the registration form on the reverse side of this page. Please note the following instructions and policies:

avoid standing in line 

Part 1: Attendee Information

Member Rate

If you are currently an ACM or SIGGRAPH member, you are eligible for member discounts. You must provide your current membership number in order to receive the discount, otherwise you will be charged the non-member rate. Local or regional SIGGRAPH memberships are not eligible for registration discounts.

Students

You must be a full-time student in order to qualify. You must attach copies of the following to your registration form to qualify for student rates (this applies for those registering in advance as well as at the conference):

- Your 1998 ACM student membership card OR your valid 1998 student identification card, AND
- A letter on school letterhead verifying you are a full-time student. The letter must include your registrar's name, address and phone number so we can verify your student status.

If you do not attach both of the above items to your registration form, you will not receive the student discount and will be charged the non-member rate. In addition, when you arrive at SIGGRAPH 98, you must present your ID card (not a copy) in order to pick up your credentials.

Part 2: Registration Category

Please refer to the chart on page 47 for programs, activities, and conference documentation included with each registration category. Check only one registration category. An Electronic Theater ticket for any performance is included with Full Conference registration and a matinee Electronic Theater ticket is included with Conference Select registration. Please rank your preference, as tickets are issued on a first-come, first-served basis. If you do not receive your first ticket choice, a limited number of tickets will be available for exchange at SIGGRAPH 98 at the Electronic Theater Ticket Exchange Counter.

Part 3: Electronic Theater Ticket

One Electronic Theater ticket is already included with Full Conference and Conference Select registrations. Registrants in any category can purchase one additional ticket. Please rank your preference, as tickets are issued on a first-come, first-served basis. No refunds.

Part 4: Credential Mailing

Full Conference Registrants

Due to the high value of your registration credentials, your badge will not be automatically mailed to you. If you would like to receive your badge in advance of the conference via express carrier, the following instructions apply:

- Select and include payment for the appropriate credential mailing option on the registration form.
- Your registration and payment must be postmarked by Friday, 12 June.
- Student and member status must be fully verified with ALL documentation by Friday, 12 June.
- You must provide us with a street address as express carriers do not deliver to P.O. boxes.

If the above instructions are followed, your badge will be mailed two-day service the week of 6 July.

Exhibits Plus and Conference Select Registrants

Your badge will be mailed first class (at no additional charge) prior to the conference provided your registration meets the following criteria:

- Your registration and payment must be postmarked by Friday, 12 June.
- Your mailing address must be in the United States. (A note to our international guests: Due to inconsistent postal service world-wide, we do not mail international badges unless the credential mailing option is purchased. Please refer to instructions for Full Conference registrants above.)

If the above criteria are met, your badge will be mailed first class the week of 6 July.

Credential Mailing Policies

- All prices are per person.
- SIGGRAPH is not responsible for lost credentials for which we have a carrier receipt.
- Should your credentials be lost prior to arriving at the conference or should you forget to bring them, you will need to re-pay your registration fee and you will not receive a refund.

Keep a copy of your fax transmission report to verify that your fax was received by SIGGRAPH 98 in the event of a problem. Do not fax your registration form more than once.
