Call for Submissions

SIGGRAPH Asia gathers the best of the industry and academia, where researchers, innovators, artists, producers and industry professionals present their ideas and concepts to the community.

This year, SIGGRAPH Asia will introduce a new program – Technical Briefs. The other programs include: Art Gallery, Computer Animation Festival, Courses, Emerging Technologies, Posters, Symposium on Apps, and Technical Papers.

"Propelled by the converging communities of Computer Graphics and Interactive Techniques, SIGGRAPH Asia 2012 will redefine the boundaries of discovery, innovation, and research, ensuring an experience lavished with the hallmarks of a remarkable conference and revered in reputation by your valued submissions. We now welcome your best work."
