Member Profile: Jinny HyeJin Choo

This month's Member Spotlight features Jinny HyeJin Choo, a Professor in the Animation Department at Korea National University of Arts, located in Seoul, Korea. Jinny's first SIGGRAPH was in 2004 as a festival programmer (curator) at Seoul International Cartoon and Animation Festival (SICAF), and served as the SIGGRAPH Asia Computer Animation Festival Chair in 2008.

Learn more about Jinny's career and favorite SIGGRAPH memory below!

SIGGRAPH
OVER COFFEE
PART 1

SIGGRAPH Over Coffee Roundup, Part 1

Launched in October 2021, **SIGGRAPH Over Coffee** is a a monthly Instagram Live series that peels back the curtain on both volunteering with SIGGRAPH and careers in computer graphics and interactive techniques. Leading up to the conference this summer, join members of the SIGGRAPH 2022 conference committee each month as they elevate diverse voices around chair-selected hot topics. The live sessions take place "over coffee" on the last Friday of the month at 9:00 am PST.

For the first-ever edition of SIGGRAPH Over Coffee (in October 2021), SIGGRAPH 2022 Conference Chair Munkhtsetseg Nandigjav was joined by ACM SIGGRAPH Chair Elizabeth Baron. Catch their chat at the link below!

Everything You Need to Know About SIGGRAPH 2024 Conference Chair Andres Burbano

Extra, extra, read all about it!

It was announced last week that Andres Burbano has been selected as chair of the 51st annual SIGGRAPH conference by leadership within ACM SIGGRAPH. Burbano is a native of Pasto, Colombia and an associate professor in Universidad de los Andes's School of Architecture and Design. We've rounded up some career — and SIGGRAPH! — highlights to help you get to know the latest conference leader better.

ORCID Identifiers for ACM Authors

ACM is now requiring that all authors of works accepted to ACM journals and transactions, including TOG and PACMCGIT, have valid ORCID identifiers, and plan to expand this requirement to all of ACM's publications, including conference proceedings, by the end of 2022.

ORCID identifiers can be obtained at https://orcid.org/register, and ACM only requires you to complete the initial registration process.

More information on ACM's ORCID mandate can be found at https://www.acm.org/articles/pubs-newsletter/2021/blue-diamond-may-2021%23ORCID

A Tribute to Stephen R. Levine

ACM SIGGRAPH remembers Steven R. Levine and the significant impact he made on the SIGGRAPH Community. Read more about Steven's life, career, and impact on SIGGRAPH.
