ACM SIGGRAPH Chair's Update

In recent meetings, the ACM SIGGRAPH Executive Committee (EC) has conducted focused conversations on budgeting specific to the SIGGRAPH and SIGGRAPH Asia conferences, membership dues and ACM Digital Library revenue. While the SIGGRAPH conference remains the organization's largest revenue source, uncertainties around membership and the new ACM Open model have prompted an exploration of diminishing reserves. The EC is exploring contingency plans and expense management and invites member [input](#) to help navigate the situation.
